Lottie Moon Christmas offering

Lottie Moon was sent as a Southern Baptist missionary to China from 1873 to 1912. She saw firsthand the world's greatest problem – **LOSTNESS**. Meeting so many people who had never heard the gospel compelled her to write letters to American churches describing the need for a greater missionary presence.

She pleaded for increased prayer and financial support to send and sustain more missionaries. This challenge became known as the *Lottie Moon Christmas Offering* Every year, Southern Baptist churches collect an offering to send and support missionaries to be steadfastly present among those who have never heard the gospel.

Deacon Ministry Training Event February 23, 2023

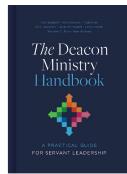

If you ask any pastor what keeps their church moving forward, they will likely point to the serving work of the deacon. These special men are the foundation of healthy churches because of their unique servant leadership role, no matter the church size. Typically, they visit the homebound and the sick as they care and pray for those in need.

Seeing the actions of these servants assists aspiring deacons in understanding what a deacon does, but it does not equate to

understanding what a deacon is.

This training event is designed to help your deacons understand the task of being lead servants. I have invited Alan Witham and Steve Rice from the Kentucky Baptist Convention to assist in leading this important training. As a bonus everyone who attends will receive the new book "The Deacon Ministry Handbook" This book was contributed by various leaders in our KY Baptist Convention. Join us for this important time.

The REACH Evangelism & Missions Conference is a twoday statewide gathering featuring top evangelistic and missional leaders from around the country. The purpose of REACH is to encourage and inspire Kentucky Baptist pastors, church staff, and church leaders, serving in every area of church ministry, to be more personally passionate about evangelism and missions, and to guide the churches they lead to become more evangelistically and missionally driven. REACH also provides a great opportunity

to get away, reconnect with friends, and network with leaders who get you and understand what you do

Last year we were able to send pastors and lay persons to the conference by providing for their hotel costs. If that is something you need the association will do that again this year. We believe this is one of the best ways to invest in our pastors by sending them to a great conference. See Bro Tommy for more details.
