

Church Group Leader

We are very excited about this year's camp. Our Camp committee has been hard at work meeting, planning and making adjustments to bring about an awesome camp experience for our students. There will be some things that look differently but the spirit of what you've grown to love about camp remains.

This year's camp theme is called "Upstream". Our students will learn how to live a Christ centered life in a self centered world. The current of today's culture is moving rapidly in one direction, but as God's people we are called to be different and go a completely different direction from the culture. We go in God's direction, (upstream) against the flow of the cultures current.

As we prepare for camp, we need your help. We need to get a rough count of how many students may attend camp. These numbers help us to know how many counselors are needed as well as other programing needs. You can help us by pre-registering students for camp either on-line or by completing the church group leader doc included in this file. If you plan on assisting with camp as a counselor, we encourage you to fill out the on-line registration and select counselor under the "grade" portion of the registration form.

Lastly, we are planning on having a church group leader meeting on April 11, 2024 at New Salem Baptist beginning at 6:00pm. We will provide a meal at this meeting and share some details about camp and answer questions related to programing and schedule.

Pray for camp this year. We are grateful for your partnership in serving kids and leading them to Jesus.
